ZACH RICH SOLIDARITY

Trombonist, composer & arranger Zach Rich's "Solidarity" is an expansive, vivid program of original music, orchestrated for his Denver-based jazz quintet and chamber orchestra. Rich channels mentors, stage-mates & influences—from Billy Childs to John Clayton and Rufus Reid—infusing the music with a mergence of modern jazz dynamism and contemporary classical counterpoint, while his playing resonates with a warm, soulful lyricism and crisp rhythmic pop. Whether working regularly in saxophonist Remy LeBoeuf's groups, performing with his own bands or composing for the Dallas String Quartet, the New York Youth Symphony, or the Colorado Jazz Orchestra, Zach's ongoing trajectory as a compelling musical voice should be an inspiring one to watch.
