"A fearless modernist composer and improviser with a deep lyricism at her core, pianist Simona Premazzi is one of the most fascinating and creative pianists in New York today." **Hot House Jazz Magazine**

Italian pianist Simona Premazzi and saxophonist Kyle Nasser from Boston, met in New York and found themselves on gigs together over the last decade. Formalizing their musical partnership as a collaborative entity in 2021, they teamed with bassist Noah Garabedian and drummer Jay Sawyer to explore their own take on highly melodic modernist jazz blended with harmonies & techniques from classical music. From the major jazz venues in New York, to festivals around the US and South America, the Premazzi/Nasser Quartet further defined their sound, built on lustrous melodies, vivid compositions and a dynamic group aesthetic. *"Cycling rhythms and recurrent melodic themes propel the saxophonist's music through an ever-evolving terrain of advanced harmony and raw emotion...cerebral without being pretentious, gnarly but far from vulgar."* **DownBeat**
