## REACH FOR TOMORROW

*"Extremely gifted and talented jazz singer... We need more Anna Kolchina's to help us keep this wonderful music of jazz alive."* **Sheila Jordan, NEA Jazz Master**

Born in the Soviet Union about 18 hours from Moscow, a young Anna was enthralled with horses. Representing strength, movement, and something deeply poetic, those qualities and the feelings imbued accompanied her through the music conservatory in St Petersburg and to Italy a decade ago where she met Sheila Jordan, who encouraged her to make the move to New York. Following her debut album for the Japanese Venus label with her Italian group, Anna made her move in 2017, establishing herself with a New York produced 3rd album for Venus with top musicians from the scene. *Reach for Tomorrow* is a story relating to that long journey, a collection of moments and chapters, deeply personal in content and in the interactions with the revered guitarists she chose to share these intimate conversations with. Along for the ride of course is her elegant and noble spirit animal, always there to inspire her dreams. *"Her vocals betray a knowing and aware character not afraid to show its wounds in its vulnerability, while telegraphing a warning to the listener that it has been all places and knows all things."*
