*"I can't find the words that convey the feelings that emerge from the presence of a great player. It happens once in a while and now is one of those times..."*

Pat Martino

Diving deep into the classic tradition of the organ trio, DC-based guitarist Shawn Purcell celebrates hard-bop heroes Pat Martino, Grant Green, Wes Montgomery and George Benson, while finding plenty of room for the influence from Scofield, Stern, Bernstein and others. Graced with a stylistically wide-ranging, virtuosic fluidity, Purcell blends effortlessly with Pat Bianchi's driving basslines and rich chording, while drummer Jason Tiemann creates an animated, energizing flow, propelling this set of 10 originals, along with Johnny Mandel's classic, "A Time for Love," into the realm of a 'must-have' for those deep into the B-3 trio tradition. "The combination of soul and relentless drive is what makes Shawn Purcell's music so appealing..." - Sean Jones
