"Eric is the real deal! A truly world class jazz trumpeter...strong, assured technique, a hip dark sound on the trumpet, and expressive without gimmicks." **BRIAN LYNCH**

Through the release of 2023's *Discovery* and tours of the Midwest and New York, trumpeter Eric Jacobson's rapport with his quintet of New York pianist Bruce Barth and the Chicago-based saxophonist Geof Bradfield, bassist Dennis Carroll and drummer George Fludas, has melded into a thriving ensemble performing on the highest levels. His eight original compositions provide the perfect vehicle for Jacobson's warmth-under-fire playing and the band's emotive presence, each perpetually on the verge of ascending even higher. *Heading Home* is an intriguing celebration of friendship, exploration, and a shared passion for the music. It's a sonic journey that takes you from Milwaukee and Chicago to New York—ultimately leading you back home.
